TOTAL One (1) head

The importation of this pet/s is hereby granted subject to the following conditions:

1. That the animals should be accompanied by a health certificate issued shortly before shipment to the proper veterinary authority of the country of origin stating that the animals have been carefully examined and found to be free from and have not been exposed to dangerous communicable animal diseases;

2. That in countries not considered free of rabies, an additional certification is required to the effect that there are no cases or rabies within a twenty (20) kilometer radius from the point of origin during the last six (6) months;

3. That the animals should be accompanied by a valid vaccination certificate against rabies, canine distemper, infectious hepatitis leptospirosis, canine parvovirus or feline panleucopenia. For countries considered to be free from rabies, vaccination could be waived;

4. That the animals were treated for internal and external parasites;

5. If the animal arrived unaccompanied by said health, and vaccination certificates or are showing signs of dangerous communicable animal disease, they must be quarantined and/or disposed off without compensation at the discretion of the Director of Animal Industry.

The permittee shall pay to the Bureau of Animal Industry the following fees:

a) For the issuance of this Import Permit P 100.00

b) For the inspection and issuance of Landing Permit P 250.00

upon arrival of said animals at the port of entry.

This permit is subject to cancellation should any dangerous communicable animal disease break out at the place of origin, or may be revoked at anytime before the expiration date if the interest of the government so requires.

By Authority of the Director:

Florence D. Silvano, DVM, Ph.D.
Chief, National Veterinary Quarantine Services
